Manhood: How Lost, How Restored.
Just published, a new edition of Dr. Culverwell's Celebrated Essay on the radical cure (without medicine) of SPERMATORRHOEA, or Seminal Weakness, Involuntary Seminal Losses, Impotency, Mental and Physical Incapacity, Impediments to Marriage, etc., also, Consumption, Epilepsy, and Fits, induced by self-indulgence or sexual extravagance.
\$7 Price, in a sealed envelope, only 6 cents. The celebrated author, in this admirable essay, clearly demonstrates, from a thirty years' successful practice, that the alarming consequences of self-abuse may be radically cured without the dangerous use of internal medicine or the use of the knife; pointing out a mode of cure at once simple, certain, and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately, and radically.
This lecture should be in the hands of every youth and every man in the land.
Sent, under seal, in a plain envelope, to any address, post paid, on receipt of six cents, or two post stamps. Also, Dr. Culverwell's "Marriage Guide," price 25 cents. Address the publisher.

LYON'S PERIODICAL DROPS!
THE GREAT FEMALE REMEDY FOR IRREGULARITIES!
I have tested these Drops in my own practice, over ten years, and do not hesitate to say that nothing has yet been developed by medical research, that acts so powerfully, positively, and harmlessly, in cases of female irregularity, as does this medicine. In all recent cases it never fails, while thousands who have been long sufferers, are indebted to it for the boon of health to-day.
Although so powerful and positive, they are perfectly harmless, and may be used at all times, except when specially forbidden in the directions.
They have been extensively employed by eminent physicians in France and England, as well as in my own practice, over ten years, and I have yet to hear of the first instance of failure. I could give you testimonials of their efficacy from ladies all over the Northern and Western States, who were not in their nature perfectly healthy, but who, after the use of Dr. Lyon's Drops, have been benefited. I am well aware that a remedy so potent to remove all obstructions, may be used for a bad purpose, but trust that where one bottle is thus used, ten may fall into the hands of really needy sufferers.
To all who suffer from any irregularity, painful, difficult, excessive, offensive or obstructed menstruation, Leucorrhoea, or the train of diseases that follow, I would say, try a bottle of Dr. Lyon's Drops. Prescribed by Doctors. Being a fluid preparation, their action is more direct and positive than any pills or powders. Explicit directions, bearing my fac-simile, accompany each bottle.
They may be obtained of nearly every druggist in the country, or by enclosing the price to G. G. CLARK & CO., New Haven, Conn., General Agents for the United States and Canada.
